## ABOUT US

We exist to inspire and support every possibility for our customers, our partners, and especially our people. We're changing what's possible by empowering people to fulfill their ambitions.

All our offerings are developed with relationships in mind. Whether the relationship is with our customers, partners, or employees, we believe that our foundation in the power of people is the right formula that differentiates us and makes us truly unique in the industry.

## BY THE NUMBERS

- 90 years of history, built one customer at a time
- More than $180 billion in sales financed and 70.7+ million active accounts.
- Over 18.5K employees - each integral to our business

## OUR CULTURE

We believe in the power of relationships. We're colleagues, teammates, and partners who share common values and a core commitment to doing the right thing. When you join us, whether you work in an office or from your home, you'll experience support and encouragement at all levels of the organization. We're invested in the success of our people and committed to caring for our employees as well as their families. From providing flexibility to help you meet the needs of work and life, or training and development to further your career to creating various programs that support working parents or mental health resources and well-being medical benefits, we'll support you when it's needed most.

Our culture is represented in our mission, vision, and values, which are woven through everything we do, every single day. Sure, we come to work to pursue our careers and make money—but we also strive to make a difference.

- Our **vision** is to build a future where every ambition is within reach.
- Our **mission** is to create financial and technology solutions to move our customers and partners forward.
- Our **values** define our culture and differentiate us from other companies. These core beliefs shape us, inspire, and unite us.
  - Honest: It's our policy
  - Passionate: Our fuel for greatness
  - Caring: We believe people matter
  - Responsible: We know what's at stake
  - Bold: It's time to make a difference
  - Driven: We're all in and we deliver
